CERAMIC GLAZED LAVA STONE AND VOLCANIC STONE TABLETOPS (DOMIZIANI DESIGN, ITALY)

Domiziani Design ceramic glazed lava stone and volcanic stone tabletops come with a seven (7) year warranty against structural cracking or manufacturer defects when properly maintained in ordinary home use. As lava stone, volcanic stone, and color pigments are all natural organic materials, exact control over color and surface condition is not fully manageable as with the precision from machine-made goods. Each piece of stone has its own unique characteristics and hand-painting is never uniform – no two pieces will ever be exactly alike. For more details, see FAQs and Exclusions.

- Normal weathering (defined as exposure to sunlight, weather, and atmospheric conditions which may cause any surface to slightly fade, lighten, darken, chalk, or accumulate dirt or stains).
- Improper assembly or mishandling of products, including any improper assembly or mishandling in any way by the dealer or assembler.
- Abnormal or improper use of products.
- Any lack of compatibility between our products and any other product not manufactured or sold by us that causes damage to or failure of our products.
- Color or pattern variance between any new replacement section or pieces and other sections or pieces.
