<u>StyleCraft Home Collection</u> – manufacturer and home decor industry leader – and its sister company, <u>Harp & Finial</u>, today announced they would both be expanding their showrooms at <u>Las Vegas Market</u>.

StyleCraft will be doubling its square footage to a total of 18,000 square feet. The additional space will house an extension of the brand's current showroom located in Building A, Showroom A352. It is currently undergoing a complete renovation and will be transformed into a space dedicated to an array of lighting, art and furniture.

Harp & Finial will expand its showroom to 4,000 square feet. With an extra 1,700 square feet, Harp & Finial will feature more than 300 distinctive items, including more than 40 new products, in the newly expanded space in Building A, Showroom 348 in January.

"The StyleCraft expansion into the adjoining space will allow more items, across all product categories, to be on display at the Las Vegas Market," stated StyleCraft CEO Jimmy Webster. "Las Vegas Market has been a great market for us and we feel that having more of our line represented at the show will be a huge benefit to showcase more of our diverse mix of home decor products."

To celebrate the expansion, an official ribbon cutting ceremony will be held on Sunday, January 27 at 2 p.m. and a cocktail party in the StyleCraft showroom on Monday, January 28 from 4-6 p.m.

Market attendees are invited to discover the new, beautifully expanded showroom and preview the broad showcase of new product introductions at Las Vegas Market – January 27-31, 2019 – in Showroom A352.
