

# Canwest Supplies presents: **Long Hair Cutting Class**

## Ultimate experience - Long hair cutting techniques class

This class will give you the knowledge and confidence when dealing with long fine hair. It's a very simplistic approach to cutting hair. Charlene Santaga will share and take you through the complete process - from the consultation to the cut and finish.

If you are looking for new creative ways to increase your income or just looking for some inspiration, this class is for you.
