

# COTÊ CH HAIR®

DO MORE WITH LESS™

## HENRY "BUTCH" COTE

From Manchester, New Hampshire, Butch Cote left college in 1998 to pursue his love for making people happy through doing hair. Butch left for east coast to broaden his hair dressing horizons on the west coast and get a cross culture of hair and fashion. Butch quickly built a prestigious clientele through a top salon in Las Vegas with hundreds of employees quickly became one of the top producers in service and retail.

Butch became a popular hair dresser in Vegas attracting celebrities like Kaley Cuoco of Big Bang Theory, Adam Lambert, Marco Andretti. While leaving Vegas to follow a celebrity clientele was tempting Butch liked his background and down to earth style he opted to stay with a diverse culture and do something different in the industry.

## SPECIALIZED DRY CUTTING!

Butch specializing in mens and females dry cutting. Dry doesn't lie is what he says. What you see is what you get. Butch has a go to long layered hair cut that works on the majority of female clients. His scissor over comb mens cuts are top notch with extreme detail and flawless blending techniques. This will give you the knowledge and confidence to make any haircut. It's a very simplistic approach to cutting hair. Butch will share and take you through two optioned cuts from the concept.
