BEHIND THE COLLECTION

Each year, Dôme Deco launches a new collection. Our team of experts begins their brainstorming process with a specific concept, discussing every aspect from shapes and design to fabrics and materials. The focus of our product developers and designers being innovation, uniqueness, and premium quality.

Each collection is built around a particular theme and characterized by its own trend colors and design elements. Halfway through the year, this main collection is replenished with a wide

variety of novelties strengthening the concept. Creating cosmopolitan environments while constantly expanding our horizons.

Before our new products are set up in our showroom, we rebuild the spaces to match the collection's concept. Everything from walls to flooring gives you the perfect perception of our new collection and the passion and creativity that went into it.

PARTNERSHIPS THE ZOUTE GRAND PRIX

The Zoute Grand Prix Week is a high-end car, art, and lifestyle event spread across Knokke-Heist. Spectacular bolides of all shapes and sizes at unforgettable and surprising locations. In the year 2022, Dôme Deco became a Gold Partner of the Zoute Grand Prix.

Mid 2022, we were asked to design the interior of the Prado Zoute. A unique event location on the beach of the Zoute, where Zoute Grand Prix's guests can get to know the latest models of the most exclusive car brands and attend the rallies' start and finish.

Central in the design of the Prado Zoute were the bar settings, with VERGE bar chairs in warm colors

elevating the overall level of hospitality. Next to the bar settings, Dôme Deco added lounge area's to offer visitors a place to sit back and relax. Better known as the Prado Lounge by Dôme Deco.

In addition, Dôme Deco took care of the 'Zoute Grand Prix Club's' interior. A brand new, permanent location for the Zoute Grand Prix where events will take place on a regular basis.

WHY THIS PARTNERSHIP?

Dôme Deco stands for 'cosmopolitan living', where the focus lies on warm colors, pure materials, and unique designs. This vision is entirely in line with that of the Zoute Grand Prix. The emphasis on lifestyle, culture, and craftsmanship unites us and ensures that we pursue the same goal in this partnership.

OUR DESIGNERS

LUN FLOOR LAMP

EMMA SLANGEN

Emma Slangen is an industrial designer and digital artist based in Belgium. Her extensive international experience left her with a great understanding of the European design world, a clear vision for aesthetics, and an appetite to keep exploring new creative grounds.

The Lun floor lamp is a magnificent piece. Its diameter of over a meter makes for a true eye-catcher. A high-end design item created by Emma Slangen, that no one in the room will be able to ignore. The oblong lamp reflects a mysterious light onto the iron surface, forming a moody atmosphere.

KATLA HURRICANES

GILLES KNAEPEN

The Katla hurricane, referring to Iceland's largest volcano, is characterized by its architectonic construction and minimalist appearance. A raw and natural source of light-shielded by a metal casing. Representing the crater and floating lava in conjunction with the crevasse.

A visual spectacle offers you a variable structural look from different perspectives. Available in three sizes. Made of either a raw metal with brown satin glass or a brown powder-coated metal with grey satin glass.

Designed by designer

Gilles

Knaepen.

JAVA SHELF

Based on Paul Apers' extensive and in-depth knowledge of the furniture industry, we set out to develop a modular shelving system that serves a multitude of applications. Be it a single unit in a private study, a combination in a dining room set as presented here, or an even more elaborate presentation in a hotel lobby, the Java shelf will cater to your specific needs.

LUGANO SOFA

RENE HOLTEN

Dutch award-winning designer René Holten is known for his highly qualitative products with an elegant, timeless and innovative character. The exact match with our identity.

The absence of back cushions and the large armrests are the main

characteristics of the sleek and contemporary look of the Lugano Sofa. Its refined details and sophisticated appearance create the perfect fit for any living space, hotel lobby or general lounge area.
