PRODUCT DETAILS:

This 4-Light vanity light will bring an attractive industrial farmhouse feel to your home. The downward-facing design conveys both quality and character. The fixture is constructed with quality materials and has been designed with attention to detail as exhibited by the two-toned driftwood/noir finish, coupled with clear-seeded glass shades. It is compatible with standard dimmer switches when used with suitable bulbs, and if you're looking for a vintage look, choose an Edison bulb for added style.
