### PRODUCT DETAILS:

The Dakota series features over a dozen fixtures to cover all of your lighting needs. From chandeliers to vanities, this geometrically inspired series boasts some signature characteristics including clear-seeded, cylindrical glass shades, curved angular arms, linear rods, and minimal, open-aired frames. Fit for covered outdoor, as well as indoor spaces, these fixtures are as versatile as they come. If your space leans more urban modern, mid-century modern, or transitional, then any luminary from this series will fit your needs. Incorporate this noir vanity over your powder room mirror for an added touch of refined illumination.
