

PRODUCT DETAILS:

Tamara's first home to air on Bargain Mansions was Mercier. She and her father worked on this home together, and at the end of the build, her father purchased the home. This home's French chateau design and masculine feel inspired the Mercier collection of linear pendants, wall mounts, vanity lights, and chandeliers. Cylindrical discs details elevate classically shaped arms in the Mercier vanity lights and wall mounts. Slender, clear glass shades echo the silhouette of the frame, supporting a clean, luxurious tone. Wall mount options of 1 or 2 light arrangements and an aged brass or matte black finish provides flexibility for your dining room, home office, or hallway designs.
