### PRODUCT DETAILS:

Nestled on four acres in the center of Kansas City, the Lee Boulevard home offers a feeling set apart from the city, which inspires Tamara Day to design this collection. A traditional design with a touch of contemporary through spherical details reflects the Lee Boulevard home's little slice of countryside amidst a sprawling cityscape. Modern beaded elements and vertically-fluted clear glass shades offer transitional comfort with a luxurious impression. Two chandelier designs, linear pendants, wall mounts, and vanities come in options of matte black or aged brass finishes. Include the Lee Boulevard 2, 3 or 4 light vanity in your next home design.
