PRODUCT DETAILS:

The Paxton wagon wheel chandelier combines contemporary styling with idyllic rural undertones. The Modern Farmhouse style is further heightened by the fixture's geometric influence, given its stacked, dual-layer rounded frame. The two-toned, Noir and Weathered Oak finishes create a charming effect that helps keep the light firmly grounded in its unassuming rustic aesthetic. Showcasing a whopping twenty-four medium base sockets, exposed by cone-shaped stone seeded glass shades, this luminary is equipped for either incandescent or dimmable LED A19 bulbs. A chain hung suspension system with stem support framing converges to create a conical shape. Damp listing capabilities give this chandelier added versatility, making it the perfect fixture for your indoor kitchens, dining rooms, living rooms, or entry foyers, as well as outdoor covered patios and grilling areas.
