### PRODUCT DETAILS:

The Mantle 6 Light Pendant adds a touch of modernity to any design. The cage housing the candelabra sockets of the Mantle series is a slightly bloated pentagonal prism, which gives it the classic shape of a house. Inside the cage, six lights fitted with simple bobeches sit on curved rods that connect to a straight downstem. The light emitted is soft and warm, creating a cozy and inviting atmosphere. Whether used as the main light source in your living room or dining room or as an accent piece in an office, entryway or hallway, Mantle series is sure to make a statement in gold leaf or matte black. Its distinctive design and high-quality construction ensure that it will be a fixture in your home for years to come, providing both timeless style and functionality.
