Whether placed next to a sofa or to any seating group, the Beauvais end table is a handy touch for rounding out any living ensemble in style. The modish-industrial design is a sleek option in any space, it's crafted from a circular aluminum, with a faux cross-hatched surface founded on a sweepingly curved pedestal base for a touch of transitional, eclectic-inspired glamour. A modern combination of silver and black round this piece out with an added industrial touch.
