**PRODUCT DETAILS:**

Simple, elegant, and built to last, the Sayers side table is a modern take on an old-world design. Multiple layers, converging clean lines, and a rustic look combine to form the essence of this accent furnishing. Comprised of recycled pine, iron, and concrete materials this compact, yet impactful table is an excellent addition for any bohemian, eclectic, or modern farmhouse look. Flank two on either side of your living room sofa for a sophisticated, and functional look, or nestle one next to your bedside for a quick and easy surface storage option.
