PRODUCT DETAILS:

Luxurious and stunning, the modern Helios wall mount is characterized by its perfectly balanced, noir frame and dual, up-light/down-light sockets. With bulbs neatly housed in aged brass, ribbed glass orb shades for an added touch of whimsy. The overall composition is futuristic and leans mid-century modern in its styling. This striking luminary comes together harmoniously in its eye-catching geometry and luxury appeal. Mount it on any living room wall for added illumination or line a hallway with multiple fixtures to provide your guests with a guiding light.
