PRODUCT DETAILS:

The Triton collection features the centuries old, enduring beauty of the capiz shell. Harvested from sea mollusks native to Southeast Asia, the capiz shells are delicately laminated before they are fixed to a cylindrical fiberglass frame. Natural tones of pearl white and taupe in the capiz shell add a subtle iridescence. The Triton side tables are available in two colorways. Display your favorite sculpture on top of the Triton side table in an entryway, office or in a lobby.
