PRODUCT DETAILS:

The magic of the damp-listed Rockport Collection lies in the delicate, wispy, white, and smoky details that gracefully form swirling patterns inside milky glass spheres. These intricate designs capture the essence of the coastal breeze, offering a captivating and whimsical ambiance. Each fixture within this collection is a work of art, with no two alike, showcasing exquisite craftsmanship and attention to detail. The aged brass canopy and fittings lend an air of vintage charm, while heavy brown sisal rope in nautical braids extends gracefully from the glass sphere before it is fixed by an aged brass cleat hitch. The Rockport 1 Light pendant comes with one aged brass hook for hanging. Additional Rockport Hooks are available for purchase.
