MIX AND MATCH

## STANDARD

Ideal for hidden areas, Standard extensions will usually comprise the majority of an installation.

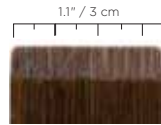

**actual size**  
The 1.1" wide size contours smoothly to the head.

## STANDARD OMBRÉ

Ideal for colour without commitment. Ombre extensions begin with a natural shade which gradually melts into a second and third hue, creating a remarkable gradation that would be extremely difficult to achieve using chemical colour services.

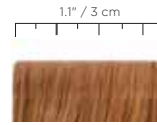

**actual size**  
The 1.1" wide size contours smoothly to the head.

## DELUXE *PATENTED*

Ideal for finer hair and high-visibility areas such as the temples, hairlines or the crown of the head, Deluxe extensions look and feel as if they are growing directly from the scalp. Using a fine needle, each individual strand is inserted by hand into a transparent 1.1" x 3 cm adhesive band. In most cases, a Deluxe will be paired with a Standard, with the Deluxe on top and Standard on the bottom.

**actual size**  
The 1.1" wide size contours smoothly to the head.

## DELUXE ROOTED *PATENTED*

Perfect for blonde guests with darker roots, the colour of these extensions transitions from a darker to a lighter hue.

**actual size**  
The 1.1" wide size contours smoothly to the head.

Introducing

## TEA TREE SPECIAL DETOX

New

## PUT TO GOOD USE

Created to give the scalp a clarifying detox once or twice a week, these products are the perfect Take Home complement to any hair care routine.

These new products are additional tools that anyone can use—not a step-by-step regimen or a rigid system, but products that are customizable to the guest's needs and pair well with any and all Tea Tree products and categories.

### WHEN AND HOW TO USE THEM

#### TEA TREE SPECIAL DETOX KOMBUCHA RINSE

Can be used in place of your regular shampoo once a week or as needed for a total detox.

##### STEPS:

- 1 Apply directly to wet hair and scalp prior to shampooing.
- 2 Massage and leave in 1-3 minutes.
- 3 Rinse thoroughly.
- 4 Follow with your preferred conditioner.

#### PRO TIP

For an extra luxurious foaming experience, be sure to emulsify the scrub in your hands with water to produce a rich foam.

#### TEA TREE SPECIAL DETOX FOAMING SALT SCRUB

Can be used prior to shampooing once or twice a week for a deep-down ultra-cleanse for scalp and hair.

##### STEPS:

- 1 Prior to shampooing apply to wet scalp and buff in circular motions to gently exfoliate.
- 2 Rinse.
- 3 Follow with your preferred shampoo and conditioner.

#### PRO TIP

On thicker hair types, part the hair for maximum scalp exposure when applying.

### SILVER SERIES

The extremely attractive and sleek lined Silver series has a very offset design for optimum ergonomics. This is a scissor for those who want their creativity to flow. The fully hollow, convex mirror, polished blades are forged from ATS314 carbon steel, making them extra hard wearing due to the added cobalt and the matrix structure of the steel. The flat centre screw system comes with an adjustable key for optimum tension control. Available in both straight (5.0, 5.5 and 6.0 inches) and offset models (5.5, 6.0, 6.5 and 7.0 inches).
